Notes

For qualifications listed in the pre-apprenticeship target area, **only the pre-apprenticeship pathways are funded as part of the *Lower Fees, local Skills* program and will receive the fee reduction and fee caps. There are 17 pre-apprenticeship pathways associated with the six training package qualifications in the pre-apprenticeship target area.

The Department will fund qualifications in line with the transition of training products outlined in the *Standards for Registered Training Organisations (RTOs) 2015*.

The Department will review replacement qualifications on a monthly basis to determine their eligibility for the list. The decisions will be reflected in updates to the *Fee-free course list* at the end of each month.
