Youth, concession students and displaced workers pay nothing - that's no course or resource fees - for the WA Government's new FREE job ready skill sets. **Get skills ready — enrol now!**

WORK IN CIVIL CONSTRUCTION SKILL SET

Overview

The civil construction industry has seen many large projects underway across Perth and in regional Western Australia. The Work in Civil Construction Skill Set offers a range of both entry level jobs and career development opportunities.

This skill set focuses on working safely on construction sites so that you can understand and follow mandatory work, health and safety requirements in accordance with legislation, including the safe use of electricity and identification of hazardous materials and basic risk control measures and emergency procedures.

You will also learn how to operate specialised equipment such as scissor and boom lifts and elevated work platforms (EWPs), undertake minor concreting and rendering tasks and perform minor repairs, plumbing work on roofing structures, carry out levelling operations, and install trench support.

This skill set will prepare you for entry level jobs on a construction site or working as a trade's assistant on new or existing construction related jobs.

Further study options

The units in this skill set may lead to the qualifications listed below and other qualifications that allow selection of these units.

Half price courses†:

- Certificate II in Civil Construction
- Certificate II in Construction
- Certificate III in Civil Construction
- Certificate III in Civil Construction Plant Operations

LOWER FEES LOCAL SKILLS

†Eligibility requirements apply. Talk to your training provider or local Jobs and Skills Centre.
