Notes

** For qualifications listed in the pre-apprenticeship target area, **only the pre-apprenticeship pathways are funded as part of the *Lower fees, local skills* program** and will receive the fee reduction and fee caps. There are 17 pre-apprenticeship pathways associated with the six training package qualifications in the pre-apprenticeship target area.

The Department will fund qualifications in line with the transition of training products outlined in the [Standards for Registered Training Organisations \(RTOs\) 2015](#).

The Department will review replacement qualifications on a monthly basis to determine their eligibility for the list. The decisions will be reflected in updates to the [Lower fees, local skills course list](#) at the end of each month.
