

# 2020 Participation Equity - Qualification Availability

Government of Western Australia  
Department of Training  
and Workforce Development

## Aboriginal and Torres Strait Islander peoples

This list contains 69 qualifications that can be accessed under this program and lists the 22 eligible registered training organisations (RTO) who currently have these qualifications on their scope.

### Note

- Where an RTO has current activity, the report lists the region and RTO contact person
- All regions are eligible to have funded training
- It is the training organisation's decision which qualifications they will chose to deliver and in which regions
- The Department can approve most applications from training organisations for funding in 10 working days

We advise Participation referral agents to have a conversation with the training organisations in order to ascertain the training organisation's interest and capacity to deliver the training to their clients. If your first choice of RTO doesn't have capacity, speak to other RTOs.

The Department reserves the right not to fund programs if there are contractual or budgetary issues.
