

# Skills Recognition Apprenticeship Program

**Are you employed in the construction industry?**

**Do you have skills and experience in construction but no formal qualifications?**

**Use that experience to start your apprenticeship!**

## Put your skills to the test – Apply now!

The Skills Recognition Apprenticeship Program (SRAP) is open to anyone currently working in construction who has trade skills, knowledge and experience but no formal qualification. The program will help you get a nationally recognised trade qualification through an apprenticeship.

Complete an expression of interest form via the QR code or at [jobsandskills.wa.gov.au/pathways](https://jobsandskills.wa.gov.au/pathways)

Find out more about the program and tell us about yourself and experience in construction. If your application is successful we will contact you to discuss next steps.

Get your skills nationally recognised and meet industry standards

The SRAP gives you an opportunity to get started on an apprenticeship by assessing what you already know and can do.

**A skills assessment to determine your eligibility for a reduced-term apprenticeship in construction is 100% free as part of the program.**

Start your apprenticeship

Get your existing skills and experience recognised and boost your job opportunities by getting into a trade qualification.

The program is available in the following construction trades\*:

- Bricklaying
- Carpentry and joinery
- Concreting
- Painting and decorating
- Plastering
- Signwriting
- Sprinkler fitting
- Stonemasonry
- Tile laying
- Wall and ceiling fixing

\*The program excludes licensed trades such as electrical, plumbing and gas fitting.

Benefit from your experience and boost your career prospects

Skilled construction workers are in high demand. It's a perfect time to build your skills and improve your opportunities for employment through an apprenticeship. Having a nationally recognised qualification opens up new doors across the construction industry.
