LOGISTICS AND WAREHOUSING SKILL SET

State ID AE385

Overview

The Logistics and Warehousing Skill Set offers a range of both entry level jobs and career development opportunities. Roles include general stocktaking and stock control, storage of goods and materials, supply chain operations, delivery services including for mail and consignments, overseeing the entry and dispatch of goods, fulfilling orders in a warehouse, and purchasing and supply of goods.

You'll learn about legislation and regulations that apply to the industry, how to shift loads safely using manual handling methods and operate a forklift safely in accordance with all relevant legislative requirements. The skill set also includes infection prevention and control procedures to help maintain a healthy workplace.

In addition you will undertake training to gain your forklift licence – and receive a discount on the licence fee through the Department of Mines Industry Regulation and Safety (up until 31 March 2021).

This skill set will prepare you with the skills and knowledge for entry level jobs as a warehouse assistant, including a mail delivery driver.
