ENTRY INTO CARE ROLES SKILL SET

National ID CHCSS00114 | State ID AE116

Overview

Learn to care for others in an era of COVID-19 infection control. This skill set will give you the knowledge of the new regulations workers need to manage infection control while caring for others.

This skill set is 100% fee-free for everyone!*

You will organise provide and monitor support services for individuals; develop safe work practices when providing direct client care; learn compliance with infection prevention and control policies and procedures; as well as ensuring your own health and safety and the safety of others in your work environment.

Further study options

The units in this skill set may lead to the qualifications listed below and other qualifications that allow selection of these units.

Half price courses†:

» Certificate III in Individual Support
