## PATHOLOGY COLLECTION SKILL SET

State ID AE219

### Overview

The *Pathology collection skill set* is designed to equip you with the skills to obtain blood from a patient for laboratory testing.

**This skill set is 100% fee-free for everyone!\***

The training will allow you to develop the skills and knowledge to perform a pathology collection role and comply with infection prevention and control policies and procedures, and be able to identify and respond to clinical risks in pathology collection. Participants will work under the supervision of a trained phlebotomist.

### Further study options

The units in this skill set may lead to the qualification listed below and other qualifications that allow selection of these units.

#### Half price courses†:

- » Certificate II in Health Support Services
- » Certificate III in Laboratory Skills
- » Diploma of Nursing
- » Certificate III in Pathology Collection

**LOWER FEES  
LOCAL SKILLS**
