Get skills ready – enrol now!

COMMUNITY PHARMACY DELIVERY SKILL SET

National ID: SIRSS00031 State ID: AE322

Overview

The COVID-19 pandemic has caused a big increase in demand for the in-person delivery of medicines to highly vulnerable Western Australians.

This **free** skill set will allow you to confidently and safely deliver dispensed medications to those in your community who need it most, and rely on pharmacy delivery for their health needs.

This skill set is 100% fee-free for everyone!*

In addition to learning how to deliver medication and other pharmacy products, you'll learn procedures to manage infection control and maintain a high standard for workplace health and safety. You will also learn skills in dealing with a diverse range of people in the community.

This skill set is for those already working in a pharmacy assistant role who want to upskill for increased responsibility in a customer-facing role.

Further study options

The units in this skill set may lead to the qualification listed below and other qualifications that allow selection of these units.

**LOWER FEES
