HEAVY VEHICLE DRIVING OPERATIONS SKILL SET

State ID AE451

Overview

Complete the six-week driver trainer program and become job ready to join the transport and logistics industry. The Heavy Vehicle Driving Operations skill set provides participants real, hands-on experience with practical hours in heavy haulage.

In this training program you will learn how to:

- » follow work health and safety procedures;
- » carry out inspection of trailers;
- » secure, load and unload cargo of goods;
- » apply work fatigue management strategies; and
- » use and maintain mechanical equipment.

The driving instruction training component of the program is conducted in a range of conditions and locations, with coaching from qualified and experienced drivers.

On successful completion of the skill set, you can obtain one of the following licences: Heavy Rigid; Heavy Combination; or Multi Combination class vehicle, and may apply for a forklift (LF) licence.

Schedule of fees

Student enrolment fee schedule		
Fee description	Concession \$	Non-concession \$
Enrolment fee (tuition fee relief rate or fee-free)	0	761.40
Practical driving instruction training and assessment and licencing*	500	1,250
TOTAL**	500	2,011.40

* This is 20 percent for concession student contribution and 50 percent for non-concession student contribution. Based on estimated maximum cost dependent upon the sub-contracted training provider undertaking this component; individual applicant requirements; and type of heavy vehicle transmission e.g. auto, synchromesh, or road ranger (industry advice states a current preference for 'road ranger', which is highest cost). Includes Worksafe high risk work licence – forklift cost.

** Does not include Department of Transport associated licencing fees.

Please note the above student enrolment fee schedule does not include Department of Transport associated licencing fees. Licence fees are subject to change and apply to all participants.

Students who do not meet one or more of the criteria listed above are able to enrol in the skill sets and pay the applicable course and resource fees in accordance with the Department of Training and Workforce Development's current *VET Fees and charges policy*, available at dtwd.wa.gov.au.

This program is funded by JobTrainer – a joint initiative of the Western Australian and Australian Governments.
