Youth, concession students and job seekers pay nothing - that's no course or resource fees - for the WA Government's new FREE job ready skill sets. **Get skills ready – enrol now!**

BROADACRE SEEDING OPERATIONS SKILL SET

State ID AE400

Overview

The Western Australian grains industry is a major contributor to the agrifood sector and the Australian economy, exporting around 80% of the State's annual grain production to more than 50 countries worldwide.

If you are interested in working on a broadacre farm and getting a head start on a career pathway in agriculture, then the Broadacre Seeding Operations Skill Set is for you.

You will gain the knowledge and skills to safely apply chemicals; and operate a range of machinery used for seeding, including tractors, boomsprays and air seeders to comply with work health and safety procedures.

Further study options

The units in this skill set may lead to qualifications listed below and other qualifications that allow selection of these units.

Half price courses[†]:

- » Certificate III in Agriculture
- » Certificate III in Horticulture
- » Certificate III in Conservation and Land Management
- » Certificate III in Indigenous Land Management

Other courses:

- » Certificate III in Production Horticulture
- » Certificate II I in Rural Machinery Operations
- » Certificate III in Rural Operations
