FARM BUSINESS MANAGEMENT SKILL SET

National ID AHCS00030 | State ID AD647

Overview

Managing a farming business can be complex, but the Farm Business Management skill set provides the skills and knowledge to plan and manage a farm business and understand the associated risks in a range of contexts. If you're a new manager, a technical manager or an emerging leader in an agricultural enterprise, this skill set is for you!

Participants will gain a broad skill base for business planning, implementing procedures and reviewing performance in an agricultural farm business context. Training will be completed through a combination of online sessions and hands-on learning.

Further study options

The units in this skill set may lead to the qualifications listed below and other qualifications that allow selection of these units.

Half price courses[†]:

- » Certificate IV in Agriculture
- » Diploma of Agriculture
