MEAT PROCESSING SKILL SET

National ID: AMPSS00044 State ID: AD693

Overview

Western Australia's known for providing high quality meat products for domestic and international markets.

This is your opportunity to get a start in an industry that's seeking qualified workers. The practical skills you get from the **Meat Processing Skill Set** will ensure you're job ready.

You'll be trained to receive an overview of the meat industry, along with a range of skills required to work in a modern meat processing facility.

You'll learn to maintain equipment, apply hygiene and sanitation practices, comply with quality assurance requirements, and follow safe work policies and procedures.

This skill set is 100% free for eligible students!

This is an exciting opportunity that will lead to a hands on entry level role in a secure and established WA industry.

Further study options

Successful graduates of this program will receive credit for completed units if you choose to go on to further study with the Certificate II in Meat Processing (Abattoirs).
