## MEAT PROCESSING CLEANER (BONING ROOM) SKILL SET

National ID: AMPSS00041 State ID: AD680

### Overview

Western Australia's known for providing high quality meat products for domestic and international markets.

The WA meat processing industry has a genuine demand for trained workers. This is your opportunity to gain an entry level role as a meat processing cleaner within a boning room.

If you enjoy active hands-on work with clear processes, this job may be right for you. You'll gain a practical and in demand skill set that has a strong focus on safety and hygiene to meet current industry standards.

You'll learn to immobilise machinery and clean the boning room using a range of industrial detergents and sanitisers, as well as how to thoroughly clean all storage areas.

### This skill set is 100% free for eligible students!

Upon completion of the skill set, you'll be job ready and poised to start a new meat processing cleaner role in a secure and established industry.

### Further study options

Successful graduates of this program will receive credit for completed units if you choose to go on to further study with the Certificate II in Meat Processing (Abattoirs).
