INFECTION CONTROL SKILL SET (RETAIL)

National Code HLTSS00065 | State Code AE114

Overview

The Infection Control Skill Set is designed to give you job ready skills to follow organisational infection prevention and control policies and procedures. This includes implementing standard and transmission-based precautions and responding to infection risks in organisations operating in the retail industry.

This skill set is suited to retail settings such as supermarkets, shopping centres, cinemas, petrol stations, beauty salons, gyms and hairdressing salons.

Unit of competency

HLTINFCOV001 – Comply with infection prevention and control policies and procedures

Further study options

Achievement of this unit of competency provides credit towards a range of qualifications where infection control skills are required.

After you complete this skill set you may be interested in exploring further study options.

There are a range of half price courses[†] in a wide variety of industry areas. Check out the full list of courses at jobsandskills.wa.gov.au/skillsready#lower-fees-local-skills-half-price-course-fees

How to enrol

Visit jobsandskills.wa.gov.au/skillsready for a list of training providers approved to deliver this skill set, or alternatively visit your local Jobs and Skills Centre or contact them on 13 64 64.
