GREEN JOBS – SEED COLLECTION SKILL SET

State ID AE280

Overview

Are you passionate about the environment and want to learn environmentally friendly practices? Green jobs contribute to preserving and restoring the environment and this skill set provides the skills and knowledge required to work on projects with conservation groups; in forestry or agriculture environments; and in nurseries and local councils.

The Seed Collection Skill Set will develop your knowledge about plants and provide you with the practical skills to support the collection, treatment and storage of seed that can be applied to revegetation projects, habitat restoration and the protection of existing and native vegetation.
