CUSTOMER SERVICE SKILL SET

State ID AE134 | State ID AE146 (Fee Free)

Overview

Retail, finance, pharmacy, hospitality, business, tourism... what industry doesn't have customers? Good customer service and communication skills are highly valued by employers in many different industries and areas of work. This skill set will get you job ready with the exact skills you need.

You will learn how to communicate effectively and provide quality service to both internal and external customers and deal effectively with people from a range of social and cultural groups with respect and sensitivity. You'll also gain negotiation, conflict management and problem solving skills.

Additionally you'll learn how to follow infection prevention and control policies and procedures, implement standard and transmission-based precautions and respond to infection risks in the workplace within a customer service context.

This skill set will prepare you for entry level positions serving customers in a range of industries including retail, hospitality, business and community services.

Further study options

The units in this skill set may lead to the qualifications listed below and other qualifications that allow selection of these units.
