ENTRY INTO WORKING IN AGRICULTURE SKILL SET

State ID AE391

Overview

Would you like a job where you can work in Western Australia's beautiful farming country? There are lots of opportunities in the agricultural industry all around the State, and this skill set will give you the entry level skills and knowledge that employers are looking for.

This skill set is 100% fee-free for eligible students* including people aged under 25, jobseekers, and concession card holders.

You will learn how to work safely in an agricultural environment, including the safe use of chemicals, and gain practical skills relating to the operation and maintenance of agricultural tools and machinery including tractors and other vehicles used in farming.

Who is this skill set for?

This skill set is ideal for anyone with no previous experience in agriculture or farming. It has been designed particularly for people recently migrated to Western Australia who would like to work in agriculture or farming.

Further study options

The units in this skill set may lead to the qualifications listed below that have reduced course fees, and others that allow selection of these units.

Half price courses

- » Certificates II and III in Agriculture
- » Certificate II in Rural Operations
