Now's the time to get skills ready with **fee-free*** training!

Youth, concession students and job seekers pay nothing — that's no course or resource fees — for the WA Government's new FREE job ready skill sets. **Get skills ready — enrol now!**

DIGITAL AGRONOMY SKILL SET

National ID: AHCS00106 | State ID: AE430

Overview

Western Australia has a strong agricultural industry, and is embracing digital agronomy — specialised technologies used in agriculture — to improve all areas of production. Here's your chance to get job ready with the skills and knowledge that employers are looking for.

This skill set is 100% fee-free for eligible students* including people aged under 25, jobseekers, and concession holders.

This course will give you skills and knowledge to use a Geographic Information System (GIS) and a range of other technologies used for recording and reporting, production planning, and data collection and analysis; and how to collect, interpret, enter and use agricultural data. These are all key skills needed for modern agricultural farming and land-based production businesses.

Further study options

The units in this skill set may lead to the reduced-fee qualifications listed below, and others that allow selection of these units.

Half price courses*

- » Certificate III in Agriculture
- » Diploma of Agriculture

**LOWER FEES
LOCAL SKILLS**

How to enrol

Visit jobsandskills.wa.gov.au/skillsready for a list of training providers approved to deliver this skill set, or visit your local Jobs and Skills Centre or contact them on 13 64 64 for assistance.

See jobsandskills.wa.gov.au/jobs-and-skills-centre to find out more about the free support and services they offer.
