Youth, concession students and job seekers pay nothing — that's no course or resource fees — for the WA Government's new FREE job ready skill sets. **Get skills ready — enrol now!**

INTRODUCTION TO CYBER SECURITY SKILL SET

State ID | AE781

Overview

Cyber security is a fast growing area of the information technology industry, and WA needs skilled workers to protect the safety and security of information and data for our community and businesses.

The Introduction to Cyber Security Skill Set is 100% fee-free for eligible students* including people aged under 25, jobseekers, and concession holders.

This course is perfect for anyone seeking skills and knowledge to get job ready for entry level work in this exciting field, or for individuals and small businesses to learn how to protect information, computers and devices from cyber security threats.

Further study options

The units in this skill set may lead to the reducedfee qualifications listed below, and others that allow selection of these units.

Half price courses*

- » Certificate III in Information Technology
- » Certificate III in Information Technology (Cyber Security)
- » Certificate III in Information, Digital Media and Technology
- » Certificate III in Information Technology (Network Administration)
- » Certificate IV in Cyber Security
- » Certificate IV in Information Technology
